2015/0508/P	Meredith Whitten	Covent Garden Community Association 42 Earlham Street WC2H 9LA	16/03/2015 18:47:23	OBJ	The CGCA objects to the proposed shopfront, as the design is too modern and “sleek” (as the applicant describes it) and is not in keeping with the historic nature and character of the building, Neal Street or the conservation area. The applicant should be required to propose a more traditional shopfront, as required in the Seven Dials Renaissance Study, which Camden adopted for planning purposes. The study specifically references the shopfront of 29 Neal Street. (See p. 34-38 & p. 61.) The CGCA does not object to the internal alterations.
