2015/0963/P	Peter Berger	16 Hillfield Mansions HAVERSTOCK HILL NW3 4QR	17/03/2015 16:33:07	COMMNT	<p>I find it difficult to know why as I live immediately opposite this restaurant that I do not get any notification.</p> <p>Every time I look out my window or stand on my balcony I am faced with this out of character ( two adjoining houses) noisy and bright place with loads of signs etc</p> <p>Also, the work including installation of numerous steel lintels have been taking place for over ten weeks and well before any application.</p> <p>The boarded fence is already in place so what is the point in an application?</p> <p>I would like to register my opposition to this application although I fear that it will go ahead regardless and like before enforcement notice will be useless as they do what they wish regardless.</p>
