2015/1098/T	Rob Liddell	5 Hillway N6 6QB	17/03/2015 08:23:26	OBJ	Is there any way this tree can be saved - pruned rather than fell? It's a unique specimen from our vantage point with striking silver leaves. And it's the dominant tree in the small wooded area the back of our house looks onto. It's loss will be extremely noticeable.
