There are already plenty of cafes + restaurants in the area of Russell Sq. + surrounding. where people can purchase food.

The change of telephone boxes & into kiosks selling will cheaper the area and add to litter being dropped in + around the Square will increase.

PTO

please leave the area a little quieter.

Thanks

I object to this application on the same grounds as to the application for the change to the telephone on the South-east corner of Russell Sq.:-

1) already sufficient cafes + restaurants in the area

2) will clutter the area + lead to more litter in the streets + Square. These kiosks are not needed if I do not
