

## 2.00 Building Location

The building is an end of terrace located on the southern side of Argyle Square. The primary access to both 26 and 26A Argyle Square are located on the eastern side of the building from Loxham Street which is a pedestrian thoroughfare.

The lower ground floor residential unit to 26A Argyle Square is accessed via an existing staircase on the northern side of the site directly off Argyle Square

There are two additional access points from Argyle Walk at the rear of the property. These provide service access to the gallery space.
