Dear Sir or Madam,

your ref. 2015/0441/P

I write to object to the application by 53 Fitzroy Park N6, your ref. 2015/0441/P. I have been a Camden resident for over forty years and an allotment holder at Fitzroy Park for over twenty years. I need to be able to pass along Fitzroy Park on foot and by bike and occasionally by car. I object to these plans on the grounds that the need for materials and workers' access would cause nuisance to me, to walkers, cyclists and the public enjoying Fitzroy Park and the Heath and may damage the road and the environment. I object to permitting more noise and disruption in this quiet part of Camden. At a time of housing shortage, I hope, nevertheless, that people will be living in this house.

Yours faithfully,  
Jane Steedman
