

**2, Frognal Rise,
Hampstead,
London.
NW3 6RD**

18th March 2015

**Dear Sirs,
Application Nos 2015/0886/1 and 2015/1032/1**

**I wish to object to the nature and scale of the
development contained in the above applications.**

**It will adversely alter the vision of the superb grade 2
listed buildings and is unsuitable for the appearance
of Admiral's Walk.**

**The scale of the basement will result in vast quantities
of soil requiring removal.with traffic disruption,dust
and disturbance to the very rural atmosphere of
Admirals Walk. The Frognal Rise/Lower Terrace
area is not one for vast mansions.**

Yours truly,

Edgar Levy
