2015/0253/P	Mr & Mrs Kuehl	39 Ingham Road	18/03/2015 12:56:44	COMMNT	We would VERY MUCH WELCOME the facility of a swimming pool in this locality. (There is no need however for another gym.) We imagine that it would not increase parking problems much (although these are already considerable) since those attending the swimming pool would very likely be largely the same population that already visits the gym.
