2015/0921/P	Sam Leifer	141 Prince of Wales Road London NW5 3PU	19/03/2015 10:37:39	INT	I am the owner of 141 Prince of Wales Road and i am concerned about the height of the proposed building, how it might affect sight lines from our garden and therefore the saleability of our property. Are you able to reassure me about this?
2015/0921/P	Sally Mijit	5d Crogslan Road NW1 8AY	18/03/2015 09:12:44	COMNOT	<p>I oppose the present proposals for the site for the following reasons:</p> <ol style="list-style-type: none"> 1. Detrimental impact on the local area due to the proposed buildings size and height 2. Impact of the building on Crogslan Rd due to the increased traffic on a quiet side street - loading and unloading of lorries, ambulances and minibuses together with the sizeable increase in private visitors to the building 3. Loss of light and privacy to 1-11 Crogslan Road 4. Increased noise from visitors and suppliers to the property. 5. Impact on local area due to increased traffic, limited parking facilities and resulting road safety issues.
