3. Description of the Proposal

Please provide a description of the proposal, including details of the proposed demolition:

Demolition of concrete open staircase abutting the NCP, and replacement with a new metal stair clad at the base of the vehicle ramp on the west side of the site. Further work to the existing car park walls will include infilling existing door openings facing West Central Street in a matching material and extending the solid panels to the rear face of the car to ensure the new stair conforms to building regulations for fire protection.

Has the building, work or change of use already started? Yes No

Do any of these statements apply to you? Yes No

9. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

This proposal for the demolition of the car park stair will provide a positive contribution to the existing street albeit as a temporary measure prior to the redevelopment of the remaining part of the site. When seen in context to the future design opportunities to the site, the removal of the dated and unsightly staircase must be considered an improvement to a site that lies within a historically and culturally important part of London.
