Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reason for granting permission

The proposal to extend the rear wall beneath a first floor extension to form a linear rear elevation is a modest development not considered to harm the character of the house or the conservation area. The extension squares off the North East corner of the building with a timber door and timber casement windows either side. The extension is considered to be acceptable and appropriate for the context, age and style of the building. The extension would reduce the amenity space to the rear of the dwelling but over 50% would remain, considered adequate amenity for the enjoyment of the dwelling.

Neighbouring occupiers were consulted on the application. One comment has been received prior to making this decision, neither objecting nor supporting development. The sites planning history and relevant appeal decisions were taken into account when coming to this decision. Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the listed buildings and Conservation Area Act 1990 as amended by the enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS1, CS5 and CS6 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP2, DP5, DP6, DP18, DP19, DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56-66 and 125-141 of the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape,

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
