2015/0906/P	David Brown	44 King Henry's Road LONDON NW3 3RP	24/03/2015 17:19:00	COMMNT	Please ensure that the Admiral Mann pub is kept viable, The current plans reduce the space in the pub by 40%, which means that the pub is unlikely to be viable in the longer term. The pub has a really important social and community use. Pubs in Camden are vanishing fast. Please save this one.
