2015/0837/P	Dr. P. A. Riach	Flat 13 Tamar House 12 Tavistock Place LONDON WC1H 9RD	24/03/2015 15:57:57	COMMEM AIL	I live in flat 13 Tamar House, which has an adjoining wall with 4 Tavistock Place. In 2008 there was a major redevelopment of the offices in 4 Tavistock Place and some extremely heavy drills were used. These made my flat uninhabitable during daytime hours.I believe that it is very inconsiderate to be put through such a disturbance again after only 7 years, therefore I request that,if this application is approved, it is with the proviso that NO heavy drills be used in the works. I also ask that no noisy work should take place before 9M or after 5PM on week days and no work on Saturday or Sunday.. Dr. P. A. Riach
