I am the owner of flats 1+3 ~~7~~ I support the application. The garden is mine — no one else in the block can use it. The erection will be in the corner of the garden. Other gardens nearby have had erected in it the same structure eg Mr + Mrs Briggs in Goldhurst Terrace.

I am also owner of flat 3 which overlooks garden. Only flats 5 and 7 overlook garden.

We need the structure to ~~protect~~

No one ~~is~~ is objecting to this
