Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
61 Falkland Road

NW5 2XB

Proposal:
Demolition and rebuild of existing boundary wall between 61 and 63 Falkland road and 10 Dunollie Place.
Drawing Nos: OHG 4/1, OHG 4/2 and wall design 14/1529 Rev1 dated December 14

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing wall, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

OHG 4/1, OHG 4/2 and wall design 14/1529 Rev1 dated December 14

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed demolition and rebuild of the boundary wall between 61 and 63 Faulkland Road and 10 Dunollie Place is not considered harmful to the character or appearance of the host building, street scene or the Kentish Town Conservation Area as the replacement wall will match the height and finish of the existing wall.

The existing wall is proposed to be demolished as it is currently structurally unsound. Given that the proposed wall will match the existing wall, it is considered that the development would not harm the amenity of any adjoining residential occupiers in terms of loss of light, outlook or privacy.

7 Neighbours were consulted and one comment was received. The comment requested additional information in relation to the specific wall being demolished, which was provided by the officer. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 (CA's) of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.
