Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans 001, 002, 003, 004, 100, 101, 110, 120, 121, 300, 301, 302, 310, 320, 321, Design and Access Statement, Basement Impact Assessment, Construction Method Statement, Traffic Management Plan, Tree Report, Arboricultural Report and Tree Constraints, Arboricultural Method Statement.

Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the local planning authority prior to the commencement of development.
