2015/0862/P	Daniel BALOUKA	3 RANULF ROAD NW2 2BT nw11 7dd	28/03/2015 11:34:44	OBJ	Excavation work commenced two months ago prior to planning application being registered. The noise is above acceptable level. Major drilling is undertaken every day. Complaints about the unacceptable noise level have been made verbally to the workmen. Skips are being replaced on average twice a day, the first taking place every day at 7:30am or even earlier with a heavy and noisy lorry.
