2015/0931/P	John Emery and Alison Little	7 Alma Street Kentish Town London NW5 3DJ	29/03/2015 18:57:54	OBJ	We object to this application as we are extremely concerned that our privacy and quiet enjoyment of our kitchen, rear bedroom and garden will be substantially adversely affected as the proposed additions to the existing extension at 12 Willies Road will significantly overlook our property in 7 Alma Street. The two gardens back onto each other and there is already very little distance between both properties.
