Dear Mr Baxter,

Project: 107 South End Road, London NW3 2RJ
Ref 2014/5215 and 2014/5482

Replacement windows to upper ground floor extension

Following our phone conversation today regarding the arrangement of the sliding folding windows to the kitchen at upper ground floor level, this is to confirm that you would prefer that the windows match those above, which number six in total across the width of the opening.

I enclose copies of revised drawings 928/13A and 14A.

I look forward to hearing from you.

Yours sincerely,

Hilary Dunford
