2015/0906/P	Ian Felce	46 Fernley Road Mile End Stockport Cheshire SK2 6DF	31/03/2015 14:16:21	OBJEMPER	Although I don't live in London, I regularly go to the Admiral Mann when I visit and know what a good community pub it is. I object to this application because I cannot see how a pub reduced in size by at least 40% can be a viable proposition and continue to serve adequately the community. It appears to have been planned deliberately reduced in size to enable eventual closure of the pub to be easy in the future to then convert to a flat. The planner needs to give guarantees that they have the pub in their interest at heart.
