Subject: DPCAAC trees 13/03

Dear planners and tree officers,

List 311
2015/1078?/T 22 Churchill Rd; no objection

Outside No 1-5 St Anne's Close/Church Walk TPO Ref C17
I could not get near to the Silver Poplar.
Unless it is badly diseased, or another good reason, I don't see why it should be felled.
(The 2 ivy covered trees in front of Church Walk need attention).

[REDACTED]

Thank you,

Eileen Willmott
