2015/1411/P	victoria coleman	flat 1 44 Greencroft Gds London NW6 3LU	31/03/2015 09:34:39	OBJ	As owner of one of the flats in this building I object to uPVC windows being installed in this conservation area which clearly intends maintaining a major feature of the area ie timber framed window panes.I also understand the arrangement of the windows has been altered. This application is retrospective and the work has already been carried out. I was not informed . I am in favour of double glazing timber frames being installed for all the environmental reasons
