2015/1240/L	Marianne Elliott	27B Burton Street London WC1H 9AQ	02/04/2015 12:14:46	COMMNT	As the owner of the Flat which will be most affected by this proposal (ie. first floor) I am concerned at its height (which will bring it very close to our bedroom window, with potential loss of privacy). Also the new use, a dining room, is likely to have extra noise implications.
