**RE: Works proposed at the ground floor flat, 27 Conway Street**

Dear Sir or Madam,

Please find attached our application and accompanying documents for planning and listed building consent for refurbishment works to the ground floor flat at 27 Conway Street.

I would like to request that conservation officer Eleanor Lakew be assigned as case officer to this application.

Eleanor has attended site and provided verbal and written guidance during the pre-application process and is therefore familiar with both the property and the details of the design.

Kind Regards,

Joe Wright
