Dear Mr McClue

Planning Application: 2015/0906/P
Admiral Mann pub, 9 Hargrave Place, N7 0BP

I have been contacted by a constituent regarding the Admiral Mann pub redevelopment proposals. The constituent is concerned that the proposals, which comprise the building of six new flats on all sides of the retained 'Admiral pub', together with a 40 per cent reduced space will a) undermine the viability of this designated 'Asset of Community Value' pub and b) limit the types and size of functions that it will be able to host.

I strongly urge you to take these views into consideration and to ensure that this pub remains a viable community asset.

Yours sincerely,

(Signed on behalf of Darren Johnson)
