Your comments on the planning application

I strongly feel the current scheme is inappropriate for the area. Firstly the scale of the building work is too large, with 21 residential units being created. I feel a smaller scheme, of say 3-5 units makes much more sense in the small space. Additionally I am very concerned at the loss of light the new scheme will cause for myself as my back garden looks directly onto the current bowling club. Furthermore I feel me any my family will lose a lot of privacy in the garden, as the new flats will directly overlook us. My garden is already lower than the bowling club, the new flats would tower over the garden making my uneasy about enjoying the garden

due to loss of privacy. Lastly we feel the huge scale of the scheme will vastly increase traffic in the area. The streets around the bowling club are already very narrow and hard to drive in, further traffic will only exacerbate the problem
