Dear Sirs,

Rear extension - Flat A, 88 Iverson Road, NW6 2HH - Planning Application

On behalf of our clients, Mr & Mrs Gillibrand, we have submitted a planning application for the works to the above property through the Planning Portal. In support of our application the following information should be attached to the submission:

1. The planning application forms, duly completed.
2. PDF copies of the following drawings;

JCA - CVG/1/X1	Floor plan, rear elevation & section - existing
JCA - CVG/1/OD1	Floor plan, rear elevation & sections - proposed
JCA - CVG/1/LOC	Location plan
3. Photograph of the existing property.
4. CIL questions.
5. Payment to the value of £172.00, as required.

We are proposing to build a single storey extension to the rear of the property to create a new open plan kitchen/dining room with folding/sliding doors opening into the garden. The existing kitchen is currently too small to fit a dining table and there is only a single door to access the garden. All materials will match existing.

If you require any further information regarding the proposals or would like to arrange a site visit, please be in touch. However we trust the proposals are in order and look forward to an approval in due course.

Yours faithfully,

Hannah Brooks
