Dear Seonaid

Your Ref - 2015/1281/P

This is a letter of objection.

My details are as follows:

Mr Jason Davidson
33 Gordon Mansions
Torrington Place
London
WC1E 7HG

I am objecting to this planning application on the grounds of the proposed height of the building and the amount of loss of light to my property and others. The current plan means the daylight to my property will fall below official guideline levels.

It looks like our lower ground property at number 33 will be one of the worst affected.

Please acknowledge receipt of this email.

yours faithfully

Jason Davidson
