6. Discharge of Condition(s)

Please provide a full description and/or list of the materials/details that are being submitted for approval:

We propose a minor modification to the kitchen, regarding the existing kitchen worktop. This worktop is significant as it is considered part of the original fabric of the house as well as an integral part of the special interest of the listed building. We propose retaining this feature and incorporate it into the design of the new kitchen. The only modification would be to raise the worktop to 90cms from the floor level, to just below the window sill (see photographs) in order to accommodate modern kitchen appliances. I hereby confirm that the new height of the worktop would be 90cms from the floor level.

Materials

New quarry tiles will be used on the work top surface to replace the existing ones. We have based our choice of quarry tiles on the recommendation of David Glasgow, Senior Conservation Officer with Camden Council. The kitchen worktop will be reinstated using the following materials:

<http://www.toppstiles.co.uk/tprod44320/Batik-Plain-White.html>

It is important to note that these quarry tiles are the closest to the original tiles currently available to purchase on the market. It is for this reason that we have chosen white quarry tiles in accordance with the recommendation of David Glasgow.

7. Part Discharge of Condition(s)

Are you seeking to discharge only part of a condition? Yes No

If Yes, please indicate which part of the condition your application relates to:

Condition 3: A method statement with details of the reinstatement of the worktop at increased height shall be submitted to and approved in writing to the Council before works are commenced. In addition, the measurement of the exact height increase is to be confirmed and agreed. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: In order to safeguard the special architectural and historic interest of the building.

8. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

The agent The applicant Other person
