Further to my earlier comments, please find attached photos of proximity and view from my kitchen/dining room and bedroom.

Also, in relation to the proposed balconies/outdoor areas shown in plans 2015/1286/P, I recall the redevelopment that happened to the adjoining building on the other side of me @ 255 Kentish Town Rd (2013/3557/P), they initially requested to put balconies/outside areas at back of properties but to my knowledge this was not allowed.

Many thanks
Jo Reuben
