Your comments on the planning application	<p>We object to this ugly, ill proportioned proposal. The tall thin dormer is over-height and lop sided on the roof pitch.</p> <p>Once again validation has missed the proper full description on this application. The proposal includes the formation of a new roof terrace at the topmost level of the house, removing a part of the slated rear pitch. This is also unacceptable as is the the inability of Camden to properly describe the proposal on the consultation forms.</p>
