

Save the Children

64A Hampstead High Street

Outline Specification of works (Version 3)

This document is to be read in conjunction with drawing 726EP (proposed elevations) and Tara Signs drawing including within the planning submission.

New shop signage

Softwood timber with painted finish displaying the text “Mary’s Living and Giving Shop” with sub text “for Save the Children”. All signage to be painted in accordance with the design shown in the drawing with lettering in vinyl.

Signage is to be installed to minimise damage to the existing structure and allow for future removal.

The dimension of the shop signage shall be within the dimensions of the ground and first floor windows.

The signage is to have no illumination.

Hanging signage

A new timber sign board is proposed and fixed to the front elevation by means of an ornate metal bracket. The bracket shall be painted black and the style of the sign board will be painted to match the shop signage and display the same vinyl text.

The signage is to have no illumination.

Decorations

All existing finishes to be redecorated including walls, joinery, window frames, window sills and entrance door.

Security shutters

Existing items to be removed and finishes made good.

Window canopies

Existing items to be removed and finishes made good.
