You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission

This permission grants a single-storey rear extension to the lower ground floor flat and would improve the standard of accommodation provided. The visual impact of the alterations has been fully considered, having special regard to the desirability of preserving or enhancing the character and appearance of the Bartholomew Estate Conservation Area, under section 72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013. The fenestration of the proposed extension was revised following negotiation and it was considered that the revised proposal would have no significant harm to the appearance of the host building or conservation area.

The proposal was considered not to have any impact upon the amenity of neighbouring residents in terms of outlook, privacy or loss of light. No objections

have been received as a result of neighbour notification. The site's planning history was also taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan March 2015, consolidated with alterations since 2011; and paragraphs 14, 17, and 56-66 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
