Dear Sir/ Madam

**Flat 1, 66 Greencroft Gardens London NW6 3JF
Town and Country Planning (Development Management Procedure) (England)
Order 2010 Notice Under Article 11 of Application for Planning Permission**

It has come to my notice that a planning application has been submitted in respect of the above flat to erect a 12sq metre timber framed garden building in the rear garden of Flat 1.

I wish to object to this application given that I own Flat 5 of 66 Greencroft Gardens London NW6 3JF and my views will be directly impacted by the construction of this building. I specifically bought the property because of the beauty of the location and would not like my views (or the views of my tenants) to be obscured by such an unsightly construction.

I trust that the Council will do all in its powers to protect my interest in this regard.

Yours sincerely,
