Your comments

I OBJECT TO THE APPLICATION BUT RECOGNISE THAT SOMETHING NEEDS TO BE DONE WITH THE BUILDING. I WILL BE ABLE TO SUPPORT THE APPLICATION IF I CAN BE REASSURED ON 3 COUNTS:

① ACCESS VIA CROWN PLACE IS MAINTAINED BOTH DURING THE BUILDING WORKS + AFTERWARDS, WHEN 5 NEW SETS OF PEOPLE + THEIR VISITORS WILL LIVE THERE. THERE IS ALREADY A SERIOUS PROBLEM WITH OBSTRUCTION IN CROWN PLACE. I COMPLAINED IN NOV/14 (COPY APPENDED) BUT HAVE HAD NO RESPONSE FROM THE COUNCIL APART FROM AN ACKNOWLEDGEMENT OF RECEIPT. THIS CAN ONLY GET WORSE. I HAVE A CAR + SPEND HOURS IN THE CHARITY SHOPS, THE BENGAL LANCER + THE HIGH ST. LOOKING FOR THE OWNERS OF VEHICLES.

② WHERE WILL THEY PUT THEIR RUBBISH? THE END OF CROWN PLACE HAS BEEN USED FOR FLY TIPPING + BY VAGRANTS. WE HAVE SPENT SIGNIFICANT SUMS CLEARING IT UP + MAKING IT LESS ATTRACTIVE TO VAGRANTS - SEE LONG CO-OPERATION WITH THE COUNCIL.

③ WHAT WILL THE BACK OF THE BUILDING, WHICH OVERLOOKS OUR PROPERTY, LOOK LIKE. WE DO NOT WANT UGLINESS, OR THE POTENTIAL FOR NOISE POLLUTION + THE INVASION OF OUR PRIVACY. THIS MEANS NO BALCONIES, ROOF TERRACES OR NOISY EXTRACTOR FANS. IT SHOULD NOT BE OPEN AT NIGHT.

further details

Crown Place, which has double yellow lines both sides, is increasingly being used for casual parking and unloading, particularly by the shops in Kentish Town Road (Bengal Lancer, PDSA etc) but also by casual shoppers. They block access to and exit from, the 4 houses off the cul de sac and this happens more than once on a daily basis. To get my car out I have to identify the owner of the vehicle and then wait for them to move it. Having done this, this morning, I went out and on my return there were 2 vehicles in the way. To let them out I have to reverse into the main road right by a busy bus stop and pedestrian crossing which is extremely dangerous.(not for the first time) I have asked the various drivers to pull right into the cul de sac so we can get by (I do not want to be at loggerheads with my neighbours) and they say they get a ticket if they do that. What can be done about this? Could we put a barrier up at the entrance? Could there be an identified unloading bay on the High Street for them? Could they be given tickets wherever they park, as a deterrent? (it is all double yellow lines) Would CCTV be of any help? Thank you for your help with this.
