2015/0253/P	Alan Duggan	53 Fortune Green Road	21/04/2015 14:34:30	NOBJ	I very much welcome the proposed change of use as it will benefit the local community a lot and the area is in much need of a swimming pool. Furthermore, the change of use from a gymnasium (which has been previously granted) to a swimming pool will make no difference to the traffic disruption (as other people have outlined in comments) as the gymnasium can increase in size if they so wish with the previously granted planning permission to do so. We do not need a larger gymnasium as it is quite substantial already, the community needs a swimming pool.
2015/0253/P	Alan Druckman	106 Alfred Court 53 Fortune Green Road London NW6 1DF	19/04/2015 12:06:07	INT	Please could this application be clarified in plain English? I believe it is seeking to make clear beyond doubt that the existing "Condition 22" permits a swimming pool at ground floor level. Is this correct? If so, this would be a useful amenity, but there are evidently parking and traffic concerns which need to be addressed.
