2015/1243/P	Jean Stanger	12 Chalcot Road NW1 8LH	13/04/2015 10:17:09	OBJ	<p>1. Primrose Hill works as a community because of the mixed use of its buildings. Employees of small businesses based in the area generate income for our shops, which we need. We have recently lost a lot of space for small businesses in Utopia Village and in Erskine Road to redevelopment. Please do not approve the reduction of employment space in the newest plan. 2. This is an attractive traditional industrial building. Please do not permit it to be overshadowed by an increase in the height of the proposed building on the Northwest corner of the site. 3. We need affordable housing in this area to maintain its mixed character. The previous plan made provision for affordable housing and it should be retained.</p>
