2015/1486/P	Geoff Stevens	18 Jeffreys Place Nw1 9PP	15/04/2015 18:16:30	SUPC	The proposals seem compatible with the character of the existing facade. I hope the proposer notes the metal doors recently installed at 2-4 Prowse Place; similar treatment would be an attractive feature for this facade. I hope when allowing this application the planning committee makes clear their objection to any application to add an extra floor or excavate a basement at this site
