2015/1549/P	Hilary Curtis	39 Esmond Road London NW6 7HF	21/04/2015 08:36:23	OBJ	There are already too many betting shops on Kilburn High Road, impairing the quality of the environment, contributing to gambling addiction and draining the local economy. We do not need more.
2015/1549/P	Simon Keen	49 brondesbury villas kilburn nw66aj	20/04/2015 22:15:48	OBJ	The last thing the area needs is another betting shop. There are already too many within within the immediate vicinity,
2015/1549/P	Josie Warshaw	83 Priory Park Road NW67UT	21/04/2015 13:18:50	OBJ	Please we beg the council please please please do not foist another betting shop onto the people of Kilburn . We do not want or need another betting shop - they are a blight on our high road and in our community . They destroy people and families . Please do not make us have to go through this misery yet again . Please use sense here - they destroy our communities .We dont need this we dont want this . Please install a community space instead or a pop up shop to give young people a start in running their own business.

2015/1549/P	Will Mowat	88 Tennyson Road London NW6 7SB	20/04/2015 21:46:45	OBJ	I object in the strongest terms to any further loss of retail space on Kilburn High Road through reclassification / change of use. Our high street is already much degraded, and yet another betting shop that sucks the life out of the area and further degrades the little quality we have left is to be deplored. There are already far too many such establishments all along KHR, and it is high time the local councils acted proactively to reverse the rot, or all we will have is gaming outlets, betting shops and no shoppers.
2015/1549/P	Karyn Berrisford	50 New Street New Mills High Peak SK22 4PD	20/04/2015 23:31:28	OBJ	I am strongly against another betting shop opening in Kilburn. Many of my family and friends use the shops and services in this area and they will be at risk of becoming victims of crime, as those with a gambling addiction may steal money to bet in this shop. There are already far too many betting shops in Kilburn, which do not benefit the local area in any way.

2015/1549/P	Gavin Henderson	36b Mapesbury Road NW2 4JD NW2 4JD	20/04/2015 22:03:02	OBJ	Clearly you have not been to Kilburn High Road. The one thing this street does not need is another betting shop. I've only lived here for 5 years but there is a great community, however there has been an increase in the number of betting shops. Just a stones throw from this location are already various betting shop options. They do not help the local economy or community. Another one is not welcome or needed.

2015/1549/P	Nicola Pattison	Douglas Road	21/04/2015 13:36:19	OBJ	The Kilburn High Road is already littered with Betting Shops, we don't need another one. I am sick of it.
2015/1549/P	Sarah Ball	24 Burton Rd Kilburn NW6 7LW	20/04/2015 22:01:45	OBJ	The last thing the Kilburn High rd needs is another betting shop. The council should be encouraging the regeneration and improvement of the High rd not more establishments that sadly exploit and impoverish those residents of the area who can afford it least . The High rd desperately needs to attract new types of business and allowing yet another betting shop to open on a stretch with several already in place sends the wrong signal to both residents and other potential businesses considering the area.
2015/1549/P	natalie	49a Brondesbury villas	20/04/2015 19:48:07	COMMNT	I strongly oppose this- we do not need another betting shop. It is doing nothing to improve the area, it will only drag it down and bring more crime.
2015/1549/P	John McCooke	4 Brondesbury Villas NW6 6AA BN1 4AF	20/04/2015 19:07:02	OBJLETTE R	<p>Dear sir or madam, I protest against this application for all sorts of reasons.</p> <p>1) there are far, far too many betting shops already in Kilburn.</p> <p>2) Betting shops advertise their football and racing odds widely but the real earners are the high stake fruit machines. This is a very dangerous form of gambling and...</p> <p>3) Is used by drug dealers to launder money.</p> <p>Kilburn residents have long ago reached the tipping point of too many betting shops, yourselves and Brent should be closing them down, not allowing new ones.</p>
2015/1549/P	Sacha Jacob	Flat 6 34 Glengall Road NW67FB	16/04/2015 13:31:26	OBJ	I'm sure you have heard all this before, but please, not another betting shop. We have far too many down the high road and Kilburn is not going to get any better if you keep adding them. Simply, we have no need for yet another. They attract anti social behaviour and cause money issues for those who are addicted to them. Please try and understand for those who live near the high road, it is not a nice place to live, and I can see no improvement if these types of business continue to mushroom.
2015/1549/P	Ingrid Sierra	10A Charteris Road NW67ET NW67ET	21/04/2015 12:24:30	OBJ	I think another betting shop is not needed on Kilburn High Road. There are already many of them on each side of the road. Those shops are not bringing any good to the local community as they take away retail units that could see new or useful shops opening. Especially with the brand new housing programs flourishing, we need more shops to actually buy stuff. Those betting shops only take advantage of people in the area who are developing a unhealthy habit in visiting them, and they drive some violence as we've seen before on Kilburn High Road. As a women living in the area, I have to say I don't feel safe walking outside those shops at night, and if we have more of them this will not get any better. The area has improved on many fronts in the past few years, and opening more of those betting shops is just having a very negative effect.

2015/1549/P	Caroline Waterman	27 Douglas Road 27 Douglas Road	21/04/2015 14:52:36	OBJEMAIL	I strongly object to this change of use. There are too many betting shops on the high street already. By squeezing out the fewer & fewer actual shops which remain people are driven farther afield for their duly needs which often means getting in the car. Surely this is not environmentally responsible. A local high street should be a diverse collection of shops & services which actually benefit the community & stimulate improvement. The ubiquity of betting shops on the Kilburn High Road fosters the exact opposite.

We already have 11 gambling shops in the Kilburn High Road. They are ruining our High Road. Camden and Kilburn MUST stop the rot. I don't understand why nobody is doing anything about this scourge. I object strongly to this application.
2015/1549/P	Diana Binstead	8 Queensgate Place NW6 4JS	21/04/2015 00:14:55	APP	Kilburn needs another betting shop like a hole in the head. Just add up those here already; too many, potentially destroying people's lives. Surely we can find a more constructive use for this site. Let us have a decision based on morality not money.
