

## 10. Materials

	Existing	Proposed	N/A	Don't know
Walls	Brick	Insulation largely finished with render, with matching old stock bricks to front edge of insulation		
Roof, windows, Doors, boundary treatments, vehicle access, Lighting, others			n/a	

Additional information supplied on four (4) submitted plans (refs 73 Chester Road existing front elevation/ existing side elevation/proposed front elevation/proposed side elevation) and submitted statement (73 Chester Road – Submission statement)

## 11. Certificate of Ownership B.

The wall it is proposed to insulate externally forms the side boundary of our property (73 Chester Road). The insulation will therefore overhang the airspace of the neighbouring property (71 Chester Road, Konstam Nursery and Children's Centre). This is the property of LB Camden.

A Deed of Easement has been sought in order to have permission to install insulation on this wall: LB Camden has written to me to confirm that a Deed of Easement will be granted for this purpose. (Letter attached – Re 73-75 Easement).

It has also been confirmed that a temporary licence to carry out the works will be granted.

## 12. Planning Application Checklist

Completed and dated application form (Submitted)

Plan identifying the land to which the application relates, to an identified scale 1:1250 and showing North: (Attached –ref 20150401151319715)

Other plans and drawings necessary to describe the subject of the application: (Attached - refs: 73 Chester Road Existing and proposed front and side elevations).
