2015/0253/P	Richard Lustigman	112 Alfred Court 53 FOrtune Green Road NW6 1DF	23/04/2015 14:12:53	AMEND	<p>The council should enforce opening and closing times to ensure this does not become a premises open 24 hours a day.</p> <p>There is already a gym in operation open 24 hours a day.</p> <p>If this application is approved the Landlord may revert to allowing this unit to remain open 24 hours a day which would be unacceptable to the local community.</p> <p>Without restricting this at the stage of application there is greater risk of using existing premise to push for a change in opening and closing times.</p> <p>This will lead to many more people congregating in and around a residential location at all times of the day and night.</p> <p>I would object to the application without opening and closing times being enforced to ensure it is not 24 hours a day.</p>
