2015/1889/P	Arthur Max	Flat 2 31 Compayne Gardens Flat 2 31 Compayne Gardens	28/04/2015 17:41:33 INT		All residents of 31 Compayne Gardens are concerned for the respect and maintenance of common drainage from the roof attached to No. 29. Since this is a major construction project, the resident neighbours insist on strict adherence to Camden Council regulations concerning work hours, especially on weekends and public holidays; that dust and noise controls be in place; and that construction waste be removed in a timely manner.
