2015/2343/T	Christine De Poortere	17 Lymington Road Flat 2nd Floor	27/04/2015 12:42:42	OBJ	I would like to object to the proposal of removing the two apple trees from this garden. They are mature, beautiful trees that enhance the environment, and as far as I can see, do not endanger the foundations of the neighbouring houses. Too many trees have already been removed from nearby gardens (with and without permission) in recent years, it would be a shame to lose even more. However, if necessary, I wouldn't object to the tree in the middle of the garden as I can see it's very lopsided!
