

1) I have added the T numbers 18 and 19 to the map. Please find attached.

2) Specifying works:

- . 7 Please replace the ambiguous extraneous branches with a crown reduction of *up to* 20%.
- . 12 Limb to be removed has already been given permission, your Ref. 2014/5295/T. Sorry again, I should not have included this.
- . 17 It is the South West side which we wish to remove.
- . 18 By remedial pruning, we meant to say; crown clean, (removal of any dead or damaged branches within the crown). No thinning or reduction is requested.

Please let me know if you need any further information.
