I live at Flat One , 26 Belsize Lane adjacent to a demolition site with the prospect of a new building imminent; a 3 minute walk to the main road at Rosslyn Hill takes me past one home where there have been extensive building works and three other properties where major developments involving basements are taking place.

I would like to express my disapproval of Camden allowing this concentration of so many new developments within such a small area. We are SEVERELY INCONVENIENCED BY THE AMOUNT OF EXTRA TRAFFIC INVOLVING HUGE VEHICLES, DIRT AND DUST AND NOISE.

The new development at 11 Rosslyn Hill will probably have no significant impact on us, although increase in traffic build ups will surely follow and cause added inconvenience
