Dear Mr McDonald,

With reference to planning application reference number 2015/1700/P

I have been a Camden tenant at this address since 22.08.1976. When I moved in there was, and still is, a back entrance to my garden, the entrance is in Burrard Road. This right of way is shared by 2 Burrard Road and 50 and 52 Fortune Green Road.

I am concerned that the planning application drawing I have seen seems to suggest that the 'right of way' is part of 2 Burrard Road's land rather than a public right of way.

My neighbour, from 2 Burrard, who lived there when it was owned by Camden Council, was burgled and asked Camden to secure the alley way, which they did by putting a lockable gate at the end. This will be shown in Camden's records.

I have no objection to the building of a single story extension to the property, but I do strongly object to losing the right of way into my back garden.

Yours sincerely

Casey Hammett
