

FLAT 2 GABRIELLE COURT 1 LANCASTER GROVE LONDON NW3 4EU

25th April 2015

Planning Advice and Information Service

Attn: Yuyao Gong

Dear Yuyao Gong,

Replacement Windows for Gabrielle Court, NW3 4EU : Application Ref: 2014/5806/P

I refer to the above planning application and particularly to the comments of Ms Tinero of the Conservation Area Advisory Committee.

I confirm that the aluminium windows proposed are by Duration/Smart. The aero foil profile highlighted in the comments is only relevant to the central profile of the patio doors and large horizontally sliding windows. This allows a slim-line appearance and protects against wind loading. The specification of the handles has now been changed to a rectilinear 'D' handle and is much less prominent.

I hope that this addresses Ms Tinero's concerns but I can attend the planning meeting should you consider my presence useful. Has a date been set?

Yours sincerely,

J Beveridge
