Planning application address..... Mansfield Bowling Club .....

I support the application (please state reasons below) Croftclaw Rd   
I object to the application (please state reasons below) N105 17R

Your comments

As a local resident living opposite the Mansfield Bowling Club I support this application.

A small development in this residential area is not out of place and this is the best design I have seen so far.

The issue of "Open Space" is not a real issue in this area as we are surrounded by open spaces.

My only concern is the issue of security of the site which I understand will be taken into account in the final plans.

Please continue on extra sheets if you wish
