Planning application number... 2015/1856/P

Planning application address... 92, FITZJOHN'S AVE. LONDON NW3 6NP

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

Having attended some of the preliminary meetings I formed the opinion that the building work will be very carefully monitored and keeping the noise as well as the dust level and other associated operations at a tolerable magnitude. Furthermore the finished house seems, or rather will be ecologically friendly and pleasing.
