Dear Victoria Pound

10 Fitzroy Park London N6 6HU
Application ref : 2015/1916/P

My wife and I live immediately next door to 10 Fitzroy Park and have done so for 23 years. The owners showed me their proposals before they submitted their application.

I write in support of the application.

I am aware of the planning and other restrictions relating to the property. I am pleased to support the modest proposals in the application. They are, in my view, not only consistent with the general style of the principal house but also with the use of the property as a family home.

Yours sincerely
